

COVID-19 Library Closures Notice

All libraries are closed until further notice.

We will provide a drop-off and pick-up service during this time.

For borrowing library material, the following services are available:

- Request material telephonically, or via email (This is dependent on the availability of material)
- You can collect requested material between 10:00 - 15:00 daily from Monday to Friday at the library entrance.
- Make sure you bring your library membership card with you when you collect.
- Material can be returned/dropped off at your library between 10:00 - 15:00 daily.

You can search for available material at your local library using [Online Public Access Catalogue \(OPAC\)](#)

Extended borrowing privileges during this period:

- Material borrowed from 1 March 2020 will automatically be extended until the end of April 2020
- You may borrow 20 items, including five audio-visual items (CDs/DVDs) for 30 days
- Renew all your items via [OPAC](#) or telephonically for an additional 30 days
- No reservations or inter-library loan requests are allowed during this time

In addition, the following services are available:

PressReader:

Pressreader, our online platform for access to digital newspapers and magazines, remains available.

If you are in proximity to the library building, you can use your personal device to access this free e-resource for three days, using your login details.

SmartCape

Libraries with SmartCape Wi-Fi provide access for seven days once you have logged in using your SmartCape username and password. You must be [registered with SmartCape](#) to gain access.

Contact your [local library](#) for more information.
