## THE FOLLOWING CONDITIONS SHALL APPLY

- 4.1 This application must be properly and fully completed, initialed on each page and signed and accompanied by a fully completed and signed Business and Project Plan (Annexure "A2") and all the other relevant documents referred to in 3 above.
- 4.2 The amount of Grants-in-Aid funding requested from the City must be indicated and a detailed breakdown of the proposed budgeted expenditure must be provided in Annexure "A2". The minimum amount of Grants-in-Aid funding that may be applied for is R 15 000 (Fifteen Thousand Rand).
- 4.2.1 The total anticipated income to be either raised by the organisation or be provided from its own funds must also be detailed in Annexure "A2" and should be sufficient to cover the proposed expenditure on the project or programme, as detailed in Annexure "A2", in order to confirm the viability of a project or programme from a cost and budget point of view.

All properly completed and signed applications using this application form must be received by the Subcouncil (Programme Project Manager) / Project manager by no later than the close of business on the closing date of the advert, published in the local press, calling for Grants-in-Aid applications.

- 4.3 Any application that does not comply with these requirements will not be considered or processed. All applications must either be delivered to the offices of the Subcouncil (Project Programme Manager) or Project manager or posted to the address provided above under Section 1. No applications may be handed to any City Councillor for delivery to a Subcouncil or Project manager.
- 4.4 Any Grants-in-Aid approved by the Council must be exclusively utilised for the purpose(s) declared and benefit the targeted communities as identified in Annexure "A2". A successful applicant will be required to complete and sign a Memorandum of Agreement (MOA) (Annexure "B") with the City. An organisation receiving a Grants-in-Aid must retain and file all original vouchers, invoices, cash slips, cheques and other relevant financial and accounting documentation that relate to the approved project or programme and which confirm how the Grants-in-Aid was utilised.
- 4.5 Applicants must, in Annexure "A2", satisfy the City that they are financially viable and possess the ability to execute the project or programme successfully.

- 4.6 Funding will be considered for only one project per organization, of a similar nature, in any financial year of the City. Multiple projects per organization will therefor only be considered if the nature of the project differs.
- 4.7 Any Grants-in-Aid recommended to Council for consideration will be dependent upon whether an organisation or body and its proposed project qualifies for a Grants-in-Aid funding in terms of the requirements of the Policy. The Grants-in-Aid amount that may be allocated will be dependent upon the availability of Grants-in-Aid funding in the City's budget, the amount recommended by the particular Sub-council or Line Department and finally the amount approved by Council.
- 4.8 No Grants-in-Aid applications submitted by Political Parties, Affiliations, Organisations or Groupings or for projects that where such organisations are the beneficiaries, will be considered.
- 4.9 The City reserves its right not to consider an application for a Grants-in-Aid if an organisation has received or will receive sufficient funds from other sources, as reflected in paragraph 3.7 of Annexure "A2", for that particular project.
- 4.10 No funding will be considered where only an individual will benefit. Grants-in-Aid funding assists the City in exercising its executive and legislative authority and is intended to fund projects that benefit the City and its residents.
- 4.11 Applications received from organisations that operate outside the boundaries of the City will not be considered unless a clear and compelling benefit to the City and its residents can be demonstrated.
- 4.12 Grants-in-Aid will not be allocated to fund the normal operational expenditure incurred by an organisation or body including employee costs or any expenditure required to establish an organisation or to make it viable.
- 4.13 Grants-in-Aid shall only be paid over to an organisation after Council has approved the Grants-in-Aid and the MOA has been signed. The organisation must also be up to date with its municipal account(s), where applicable, by either settling any arrears in full or making the necessary payment arrangements, as agreed with and applied by the City's Revenue Department, in terms of the City's Credit Control and Debt Collection Policy, before a Grants-in-Aid will be paid into its bank account.
- 4.14 Requests from applicants to cover overspending on projects will not be considered and Grants-in-Aid funding will not be made available retrospectively to fund expenditure already incurred on a project.

- 4.15 Successful applicants will only be informed, in writing, by the Subcouncil (Project Programme Manager) Project Manager, of Council's decision, after Council has approved the Grants-in-Aid.
- 4.16 Unsuccessful applicants will also be informed, in writing, by the Subcouncil or Project Manager that their application has been unsuccessful and be furnished with the reason(s) as to why.
- 4.17 Successful applicants must at all times comply with the provisions of Section 67 of the Municipal Finance Management Act, 56 of 2003 and the Policy.
- 4.18 Enter into and comply with an agreement with the Municipality and with all reporting, financial management and auditing requirements as may be contained in such agreement (MOA).
- 4.19 Report monthly on the actual expenditure incurred on the approved project and using the Grants-in-Aid funds received from the City to fund such expenditure or part thereof on the Expenditure Report template as per Annexure "A3". Such reports to be completed and submitted together with copies of all invoices, cheques, cash slips, expenditure vouchers, receipts, etc. for all GIA allocations.
- 4.20 Where a successful beneficiary organisation is unable to comply with any of the conditions in the MOA, does not complete the project in terms of the MOA or utilises the Grants-in-Aid funds on a project otherwise than set out on the last page in Annexure "A2", the amount of the Grants-in-Aid, together with any interest earned thereon (where applicable), must, in terms of the MOA and Grants-in-Aid recovery process, be repaid to the City by means of a deposit into its bank account being:
