Mowing Lists 2023

- **Tables in red** indicate **year-round no mowing areas or areas where only partial mowing** takes place because these are sites with high biodiversity value. Partial mowing means that only a section of the park is mowed to allow for recreational use indicated below with a star (*).
- **Tables in green** indicate areas usually maintained by mowing throughout the year, but which are listed as sites where **mowing is suspended from July/August to November**.
