VREDEKLOOF COMMUNITY IMPROVEMENT DISTRICT
(VCID)

BUSINESS PLAN

For the Period 01 July 2022 – 30 June 2027
(Compiled August 2021)

"Vredekloof Safe and Clean"

Compiled in accordance with the City of Cape Town Special Rating Area By-Law, 2012 as amended by Special Rating Area Amendment By-Law 2016; and SRA Policy 2017/18

This business plan is available at www.vredekloof.co.za

CONTENTS

PART A: MOTIVATION REPORT

PART A: MOTIVATION REPORT

1.   INTRODUCTION

1.1.   City Improvement Districts (Special Rating Areas)

A CID is a community-driven venture, allowing the local community, property owners and local businesses to organise and fund improvements of specific areas within the City. It is also referred to as supplementary municipal services that are provided in addition to those rendered by the CID's primary partners. In the case of the VCID, these are the **City of Cape Town** and the **South African Police Services** (SAPS). Once established by the City, a non-profit company (the "CID Company"), carries out the improvements and upgrades proposed in its business plan, funded by an additional rate levied on rateable property located within the CID.

1.2.   History and Background

Due to a high crime rate and the deterioration of the public open spaces, the Vredekloof residents mobilized and during a public meeting, decided to do something about the unacceptable situation.

Humble beginnings, but with dedication and perseverance!

A voluntary organisation, the VSC (Vredekloof Safety Council) was first established in 2006 and with hard work and dedication, the VCID (Vredekloof CID) was established in 2009 as follows:

1.2.1.   Established for a 3-year term: 2009-2012
1.2.2.   Renewal for 5 years: 2012-2017
1.2.3.   Renewal for 5 years: 2017-2022

1.3.   **Achievements and Successes**

1.3.1.   The biggest achievement was that soon after the VCID was established, Vredekloof became known as one of the safest suburbs in Cape Town which resulted in an increase in the desirability of the area.
1.3.2.   There was a drop in crime from ±17 incidents per month before the VCID to as low as 5 incidents per annum.
1.3.3.   Less by-law offences are being committed including littering, illegal dumping, etc.
1.3.4.   Street sweeping, litter picking, cleaning of roadsides and public open spaces are done on a more regular basis.
1.3.5.   Radio and communication network within the broader Sector Police Crime Forum with various role players in order to prevent incidents of crime from happening.
1.3.6.   CCTV cameras linked to a network of CCTV cameras and a database across the City with great success.
1.3.7.   General upgrading and maintenance of the neighbourhood in general to the benefit of all residents.
1.3.8.   Vredekloof became a role model to other areas.

The success of the VCID is largely due to the co-operation between the VCID and the various departments of the City of Cape Town; the strong working relationship between the VCID and the South African Police Services; the contribution of the various contracted service providers; and most important, the continued support of residents and property owners in the area.

Before

Before

Before   After

1.4. Applicant's name and business address

- Leon Brynard – Executive Officer
- Vredekloof CID
  14 Lista Crescent
  Vredekloof
  Brackenfell
  7560
- Tel. 021-981 3303 (office)
- Email: manager@vredekloof.co.za

1.5. Name of the City Improvement District

VREDEKLOOF COMMUNITY IMPROVEMENT DISTRICT (VCID)

1.6. Geographical area and boundaries - [Figure 1]

The VCID's operational boundaries are:

- De Bron Road (North)
- The National Road - N1 (South)
- Brackenfell Boulevard (East)
- The R300 road servitude (West)

<u>VCID AREA IN NUMBERS</u>:

- PERIMETER: - 4.27 km
- AREA: - 1,228,434 sq. meters
- NUMBER OF STREETS / DISTANCE: - 43 / 18.9 km
- PUBLIC OPEN SPACES: - 18 = 112,133 sq. meters
- NUMBER OF ERVEN: - More than 1 000
- NUMBER OF RESIDENTS: - More than 3,300
- NUMBER OF VEHICLES DRIVING IN & OUT DAILY: - 7,500 + vehicles
- GUEST HOUSES: - 5 +
- FILLING STATIONS: - 1 (Engen)
- CHURCHES: - 2
- SCHOOLS: - 1 (Vredekloof Primary)
- LEARNER PROVISION: - Up to 1,280 learners

Vredekloof [Figure 1]

1.7.   STRATEGIC OBJECTIVES FOR 2022-2027

In partnership with the City, the VCID will strive to carry out its mandate to the best of its ability, by assisting the City and the SAPS in creating a safe, secure, caring, clean and integrated urban environment by:

1.7.1.   Making the Vredekloof residential area safe by providing and facilitating a range of safety services.
1.7.2.   Improving the well-being and living conditions of all Vredekloof residents.
1.7.3.   Facilitating programmes and community initiatives by residents in terms of assisting those who might need help – i.e. Indigent, Senior Citizens, Disabled Persons and the youth in our area.
1.7.4.   Developing a close and mutually beneficial working relationship with the City and assist them in maintaining public open space and other public areas.
1.7.5.   Facilitating a process in protecting the quiet nature like character of the area.
1.7.6.   Encouraging residents to become involved in the area they live and work in.

It is therefore the *vision* of the VCID to create a world-class suburb to be proud of with a *mission* to establish and maintain mechanisms and programs whereby property owners and residents are encouraged to participate in the process of a secure and clean neighbourhood.

1.8.   CORE VALUES (Transparency & Accountability)

1.8.1.   Business Plan approved by members at an AGM
1.8.2.   Service delivery aligned with the business plan
1.8.3.   Annual General Meetings (AGM)
1.8.4.   Directors elected by the members at an AGM
1.8.5.   Regular Board meetings
1.8.6.   Members are property owners within the VCID through application

1.8.7.   Regular reporting to the CCT
1.8.8.   Performance Evaluation
1.8.9.   Audited Financial Statements
1.8.10.   Up to date website
1.8.11.   Open communication with the community

Securing the perimeter – Hard work bear's fruit!

2.   <u>**PROPOSED SERVICES AND PROJECTS**</u>

The City will continue to provide the basic levels of the bulk of the services in terms of their mandate. The services of the VCID are <u>supplementary municipal services</u>, based on the successful results of the past and the existing levels of services by the City of Cape Town.

2.1.   **Improving Public Safety**

The Safe City: As "The Safe City" is one of the 5 Strategic Focus Areas (SFAs) of the Integrated Development Plan of the City, the Vredekloof CID aims to create an environment where citizens feel safe. It goes beyond policing and includes aspects such as disaster and risk management, rescue services as well as traffic and bylaw enforcement by the various City departments to address safety as a well-rounded concept, while also considering social factors in the CIDs approach.

Effective Public Safety requires a lot of resources and the VCID will therefore spend most of its budget on Public Safety.

<u>Needs</u>

2.1.1.   Provide a safe and secure environment by preventing crime.

Most of our efforts will focus on crime prevention. It will be intelligence driven with input from various sources, including but not limited to SAPS, Law Enforcement and Metro Police, the Local Community Police Forum and other local Safety and Security Forums.

2.1.2.   Increased security presence by visible patrolling 24/7.

We believe that visible policing is one of the best deterrents of crime. To achieve this visibility, our plan will include the deployment of 15 public safety patrol officers working shifts to patrol the streets and public areas of the VCID 24/7. Patrolling will be done on foot and with a Segway. Apart from their normal security training, we also focus on "area specific training" as they often serve as a first point of contact for emergency needs.

We will also make use of a public safety patrol vehicle with one officer patrolling the area 24/7. The patrol vehicle will apart from the normal visible patrolling, also be available for a quicker response and to assist the patrolling officers. We also have the use of an Armed Response vehicle attending alarms, patrolling the streets at the cost of the current security service provider.

2.1.3.   CCTV surveillance with visual monitoring of the entrances, hotspot areas and the periphery of the area.

To have a patrolling officer in every street will be ideal but financially impossible. Although CCTV technology is getting cheaper, it's still very capital intensive. We will continue to expand our existing CCTV network over time with the aim to make it impossible for a criminal to move around without being seen. Our entrances, incoming and outgoing, are covered with LPR (Licence Plate Recognition) cameras. We currently have ±40 static overview cameras, covering parts of the perimeter and hotspot areas, providing alerts to the Control Room via smart analytics. Our goal is to, over time, have at least 2 cameras in each street.

It is also our aim to stay up to date as technology improves and will from time to time replace some of our strategic cameras with new technology cameras and move the old ones to areas where we still don't have cameras.

2.1.4.   Centralised Control Room

We have a centralised Control Room which is operational 24/7 from where all public safety and security matters are co-ordinated. It includes a radio communication network with direct communication between the Controller and patrollers. A live tracking system is installed, and the Controller can easily determine which patroller is the nearest to dispatch. The control room is also the hub where the CCTV cameras are recorded and monitored.

The Control Room, equipped with 90% of our own equipment, is manned by our current public safety service provider. The budget also provides for upgrading of equipment as required.

2.1.5.   Co-ordination of public and private security.

Research has shown that the more layers of security you have, the harder it will be for the offender to commit a crime. We will therefor make every effort to encourage a co-ordinated approach of public and private security. This will be done by sensitising the community on current crime trends through our regular newsletter and other means of communication, i.e. our website, facebook, whatsapp or telegram groups.

The Covid-19 pandemic will also bring new challenges and in the next five years, the VCID will continue:
- To monitor crime trends that impact on the safety of residents and visitors
- To adapt its Public Safety contingent according to the needs of its stakeholders
- To work tirelessly alongside its partners, including SAPS, the City's Law Enforcement agency and the Community Police Forum, to secure the VCID area.

2.2.   Maintenance and Cleansing

The Inclusive City: True inclusivity can only be achieved in an environment where citizens feel safe and cared for, and where communities are truly integrated.

<u>Needs</u>

2.2.1.   Create a quality urban environment where people can live with dignity and pride.

The plan includes a small team to decrease waste and grime in the area through a sustainable cleaning programme.

2.2.2.   Supplemental cleaning and upgrading of the area.

Continue to employ general workers to keep the area clean daily. We make use of a team of 5 people to provide additional street sweeping, waste picking and we arrange additional refuse collection in all the public areas when necessary. They normally work a 5-day week and often come in on a Saturday for those extra tasks which were not done or finalised during the week.

2.2.3.   Co-ordination of general maintenance of streetlights, trees, benches, litter bins, traffic signage, kerbside paving, etc.

2.3.   **Environmental Upgrading**

The Caring City: The Vredekloof CID must be welcoming to all people and make residents feel at home. As such, the caring city concentrates on looking after the people of Vredekloof CID, especially those who are most in need of assistance.

The VCID will create a quality urban environment where people can live with dignity and pride.

Needs

2.3.1.   Assist the City where necessary in upgrading of public open spaces.

Monitor the status of public infrastructure such as roads, pavements, streetlights, road markings and traffic signs. Beautifying the area with the planting of trees and flowers

2.3.2.   Upgrading of public open spaces i.e., planting of trees, making flower beds and planting flowers. Upgrading of parks by installing play equipment and possible outdoor gym equipment.

Park benches and play equipment. Coordinating actions with the relevant City of Cape Town's departments to address infrastructure defects. This will be done through specific liaison with departments and officials in addition to the reporting and monitoring of repairs identified by the CID Manager. After a base level of repair and reinstatement has been achieved, the VCID team will implement local actions to correct minor issues.

3.　　　　__FINANCIAL IMPACT OF THE VCID__

The budget for each year of the Business Plan:
- Year 1:　　　R 3 944 681　　　　　(8.4% increase in additional rates required)
- Year 2:　　　R 4 114 232　　　　　(4.3% increase in additional rates required)
- Year 3:　　　R 4 303 212　　　　　(4.6% increase in additional rates required)
- Year 4:　　　R 4 457 884　　　　　(3.6% increase in additional rates required)
- Year 5:　　　R 4 625 670　　　　　(3.8% increase in additional rates required)

Budget allocation by Portfolio:
- Management, Administration and Provision for Bad Debt　　　23.20%
- Public Safety and Security　　　　　　　　　　　　　　　　60.70%
- Cleaning, Environmental Upgrading and Maintenance　　　5.94%
- Social Development　　　　　　　　　　　　　　　　　　　0.05%
- Projects and Capital Expenditure　　　　　　　　　　　　10.11%

In line with the City`s Special Rating Areas Policy (SRA Policy), the VCID management annually prepares an overall budget for the year based on the specific needs of the area as set out in the Business Plan. The budget is funded by the property owners through an additional property rate levied on the municipal valuation of all properties within the VCID boundary.

To promote open and transparent governance the 3% included in the budget as a provision for bad debts, is to show that 3% from the additional rates levied on property owners is used by the City to fund a Provision for Bad Debt in the City`s books, ring-fenced in the name of the VCID to ensure it cannot be used to fund any other City services and only be used to cover the arrears and any shortfall on the billing, should it occur.

Additional property rates attract VAT @ 15%. The additional property rate is calculated by the City annually during the City`s budget process. The additional rate is expressed as a Rand-in-the-rand and is calculated by dividing the VCID budget total with the total municipal valuation of properties in the VCID.

The SRA Policy allows for a differentiation in tariffs for the different types of properties and as such a residential and non-residential additional property rate is applicable in the VCID.

The VCID budget and additional property rates` are approved by Council with the City`s budget and is applicable over a financial year, which starts on 1 July.

Individual contributions for residential and non-residential properties can be calculated as follows:

1. Municipal valuation x R 0.XXXXXX = Annual contribution (VAT excl.)
2. Annual contribution (VAT excl.) ÷ 12 = Average monthly contribution (VAT excl.)
3. Average monthly contribution (VAT excl.) x 1.15 = Average monthly contribution (VAT incl.)

   Note: R 0.XXXXXX represents the approved VCID additional property rate.

e.g. Residential: R2 000 000 x R 0.001685 = R3 370.00 ÷ 12 = R280.83 x 1.15 = R322.96
e.g. Non-Residential: R5 000 000 x R 0.001989 = R9 945 ÷ 12 = R828.75 x 1.15 = R953.06

The detailed 5-year budget for the implementation and operations of the VCID is set out in PART C. It reflects the identified needs of the VCID's operations and summarised as follows:

3.1.   <u>**Management, Administration and Provision for Bad Debts**</u>

The VCID will provide a comprehensive management service which will include the management of the sub-contractors who will be providing supplementary services to those provided by the City as well as to interact and liaise with the City on the latter's adherence to guaranteed levels of service.

<u>Management will be responsible for:</u>

3.1.1.   The day-to-day management of the VCID according to the business plan and budget.
3.1.2.   A periodic newsletter to keep residents informed.
3.1.3.   The upgrade and maintaining of the Vredekloof webpage.
3.1.4.   Arranging of meetings as and when required.
3.1.5.   Communication with the media and the public on the success of the Vredekloof CID.

BUDGET: Management, Administration and Provision for Bad Debts				
2022/23	2023/24	2024/25	2025/26	2026/27
R915 690	R963 232	R1 007 246	R1 056 477	R1 102 170

The Well Run City: The VCID supports the well run City by managing the CID responsibly by focusing on financial and operational sustainability, human resource development and organisational restructuring.

3.2.   <u>**Public Safety and Security**</u>

Effective management and planning of contracted public safety services and the installation of a comprehensive surveillance system.

<u>Needs</u>

3.2.1.   Crime prevention initiatives to provide a safe and secure environment.

3.2.2.   Increased public safety presence by visible patrolling 24/7.

3.2.3.   Visual monitoring and including CCTV surveillance of the entrances, hotspot areas and the periphery of the area.

3.2.4.   Co-ordination of public and private security.

BUDGET: Public Safety and Security (excl. CCTV expansion)				
2022/23	**2023/24**	**2024/25**	**2025/26**	**2026/27**
R2 400 000	**R2 520 000**	**R2 640 000**	**R2 750 000**	**R2 890 000**

3.3   <u>**Cleaning, Environmental Upgrading and Maintenance**</u>

Create a quality urban environment where people can live with dignity and pride.

<u>Needs</u>

3.3.1   Daily cleaning program to ensure that streets and public areas are clean.

3.3.2   Programs and projects beautifying the area.

3.3.3   Regular inspections to maintain all upgrades.

BUDGET: Cleaning, Upgrading and Maintenance				
2022/23	**2023/24**	**2024/25**	**2025/26**	**2026/27**
R233 800	**R247 000**	**R257 800**	**R270 200**	**R283 000**

3.4   <u>**Social Upliftment**</u>

The VCID supports the City's Social Upliftment Strategies to find lasting solutions for Social Development, which includes supporting individuals to move from the street into places of safety, support NGOs that provide social services and where possible create employment opportunities.

<u>Needs</u>

The VCID will investigate projects and programs with a focus on Give Responsibly.

BUDGET: Social Upliftment				
2022/23	**2023/24**	**2024/25**	**2025/26**	**2026/27**
R2 000	**R2 000**	**R2 000**	**R2 000**	**R2 000**

The Caring City: Vredekloof must be welcoming to all people and make residents feel at home. As such, the caring city concentrates on looking after all the people, and especially those who are most in need of assistance.

3.5   <u>**Capital Expenditure and Projects**</u>

<u>Needs</u>

3.5.1   Expand and maintain the existing CCTV network integrated into a fully equipped and functional control room.

3.5.2   Environmental upgrading and beautifying of the area.

3.5.3   For the safety of all residents, keeping the perimeter secure, is a priority. We have planted Kei-Apples on the perimeter all around Vredekloof and erected a razor wire fence on most parts of the boundary wall. The razor wire fence was a once-off expense, however, some parts are not done yet and some of the Kei-Apples have died in the drought or being damaged accidentally.

3.5.4   The VCID is busy with an application to lease property from the City to move their offices which will result in a huge saving on office rental.

BUDGET: Capital Expenditure and Projects				
2022/23	**2023/24**	**2024/25**	**2025/26**	**2026/27**
R505 000	**R208 000**	**R223 000**	**R267 000**	**R217 000**

The advantage of the VCID is that the cost of providing supplementary municipal services is borne by all property owners in the area who are not in receipt of a rates rebate.

- Costs are borne in proportion to the value of the property.
- The VCID is a non-profit company which is controlled by a non-remunerated Board of Directors made up of property owners.
- The VCID provides supplementary municipal services.
- The management approach is holistic.
- None of the additional rates are spent outside of the VCID area.

The Well Run City: To deliver on its vision, the Vredekloof CID needs to be responsive to its customers' needs and able to sustainably support the various initiatives, programmes and projects by delivering the right services in the most efficient and effective way. The well-run VCID aspires to do this by focusing on projects which deliver the right services in the most efficient and effective way.

4.   <u>**MANAGEMENT STRUCTURE**</u>

The VCID is managed by a board of Directors, elected by the members of the VCID. A board of Directors consists of property owners and a political representative, appointed by the Executive Mayor, attending Board meetings as an observer. The Board meet when necessary but at least every 2 months and is responsible for the management of the VCID, within the framework of the approved business plan and oversees the implementation thereof.

At the first meeting following the AGM, the Board elects a Chairperson and a Vice-Chairperson. Portfolios are also allocated to board members during this meeting. An Executive Officer (manager), appointed by the Board, overseas the day-to-day management and service delivery according to the Business plan.

Monthly progressive income and expenditure reports are submitted to the CID Department. The audited annual financial statements are submitted annually to the City for consolidation with the City`s annual financial statements. Following the AGM, the VCID Annual report and AFS are submitted to the local subcouncil as part of their oversight function.

An Annual General Meeting (AGM) is held annually to comply with the Companies Act requirements and to review the performance of the VCID and to obtain a mandate from the members for the next year. This is done by the approval of the budget and implementation plan for the following year. For transparency and continuity, a third of the directors must resign at an AGM but is eligible for re-election. It also provides an opportunity to elect new directors to serve on the board of the NPC.

The VCID plans certain community activities i.e., a fun walk, braai day, senior citizen, youth and domestic workers events with the aim of developing a good community spirit.

5.   <u>**PERMISSIBLE AMENDMENTS TO THE BUSINESS PLAN**</u>

There are currently no plans to investigate or explore significant changes to the strategy or operations of the VCID. Should any significant changes be required, it will be subject to the approval of the members of the VCID at an Annual or Special Members` Meeting.

PART B: IMPLEMENTATION PLAN

MANAGEMENT and OPERATIONS
