**City facilities (Open | Closed)**

Non-essential facilities are closed until further notice. Our essential service facilities continue to operate, but access may be restricted in the interest of public safety.

Our service facilities will open or close in line with national government health and safety regulations.

Clinics and healthcare facilities

Clinics/Community Day Centres (CDCs)/ Community Health Centres (CHCs)

Clinics may close at short notice if a staff member tests positive for Covid-19. The clinic will reopen once it has been decontaminated.

Find a clinic or healthcare facility near you.

Covid-19 testing

Testing schedule 2020/21

Some of our clinics and healthcare facilities are offering scheduled Covid-19 testing. View the City Health Covid-19 Testing Schedule 2020/21 to find out when City Health facilities will be testing.

Field Clinics

Certain services will be transferred from clinics to field clinics to create space for managing Covid-19 cases. The field clinics are either prefabricated structures on clinic premises, or we are using community halls in close proximity.

View a list of Clinic and healthcare facilities to find out which clinics are offering Covid-19 services.

Environmental Health (EH) Offices

View a list of Environmental Health Offices

Driving Licence Testing Centres (DLTCs)

All our DLTCs are open between 08:00 and 15:30 on weekdays (Monday - Friday) and 08:00 – 12:30 on Saturdays.

Extended services

The following DLTCs are open on Sundays from 08:00 - 12:00

Fish Hoek | Gallows Hill | Goodwood | Hillstar | Milnerton | New Ottery | Parow |

Services available/ unavailable

The following services are available at our DLTCs:

- Driving licence applications
- Foreign conversions of driving licences
- Learner licence applications and tests
- Renewal of driving licences, temporary licences, PRDPs, permits, etc.
- Tow-aways and impoundments
- Traffic fine/ warrant payments

Please note: New bookings for learner and driving licence tests are available, however, there may be a delay. We are currently conducting all previously booked tests so you may need to wait for an available date.

View the Waiting times for driver's licence tests. View a list of Motor Vehicle Licensing and Registration offices.

Extensions: If your driving licence card, PrDP, temporary driving licence or learners licence expired between 26 March 2020 and 31 December 2020, an automatic extension is granted until the 31 August 2021.
Drop-off facilities

The following drop-off sites are now open, and accepting the following waste materials free of charge:

</tbody>
</table>

**Please note:**

A temporary measure - Athlone and Kraaifontein disposal sites are currently not able to accept builders’ rubble. The City is still accommodating this material at Bellville/Coastal Park/Vissershok Landfill facilities, or at drop-offs for residential customers. However, customers should please be aware of the possibility of temporary capacity challenges at these facilities due to the extra demand.

### Household hazardous waste (HHW)

There are two HHW drop-off facilities, the Bellville Refuse Transfer Station in Sacks Circle, Bellville or the Athlone Refuse Transfer Station in Bunga Avenue, Athlone. [View the guide on how to make use of this service.](#)

#### HHW Operating hours

<table>

Available services

- Court appearances
- General enquiries relating to any summons/notice
- Paying of traffic fines and warrants of arrest
- Payment of any admission of guilt fines for other summons/notices to appear (section 56 notice) issued by the City
- Written representations directed to the relevant prosecutor.

Nature Reserves and conservation areas

See a list of all Nature Reserves and Biodiversity Parks.

- Adhere to notices at the entrance
- All water bodies will be open for exercise and recreational purposes
- Entrance fees will be charged as per normal, and where applicable
- Limited ablution facilities and bird hides will be available
- No entry without a mask or cloth to cover your nose and mouth
- Reserve offices will remain closed to public
- Reserves will be open as per the normal times and indicated at the entrance

Picnic spots and braai areas in the nature reserves are open, but the City will limit the number of visitors in line with Covid-19 health and safety protocols, as and when needed. The applicable nature reserves are: Helderberg; False Bay; Blaauwberg; Tygerberg; Table Bay; Durbanville; and Bracken.

Remember: No alcohol is allowed in the nature reserves, with the exception of pre-approved events.

Resorts

Resort operational times and regulations

1. All City resorts are open.
2. Bookings are restricted to 50% accommodation capacity per facility
3. All persons entering City premises do so at their own risk. The City will not be held responsible for any damage, loss or injury to any person or property arising from any cause whatsoever. Based on national Covid-
Terms and conditions for patrons visiting City resorts

1. Face masks are mandatory therefore, “no mask, no entry” at all City facilities. Also remember that masks must be worn at all times whilst inside the resort. Notices to this effect have been placed at the entrance of all City premises and must be adhered to.
2. All visitors must sanitize their hands on entry at each facility. Hand sanitizers and notices have been place at each entrance of all City buildings. Note that theft and vandalism of City provided hand sanitizers on premises is prohibited and anyone found guilty of this offence will be criminally charged.
3. All staff and patrons will be subjected to a Covid-19 screening process before access to the resort is granted.
4. The number of patrons allowed at City facilities has been reduced. Based on the current Covid-19 lockdown regulations, a maximum capacity of patrons will be allowed into each resort. The maximum capacity is determined at the discretion of facility management at each resort.
5. 1.5 m social distancing must be strictly adhered to, specifically in areas that have been clearly demarcated.
6. Outdoor play and recreational areas (e.g. such as playgrounds, tidal and swimming pools) can only be used, if social distancing can be implemented. Children need to be supervised at all times. Note that patrons are responsible for sanitizing before and after use, as the City does not provide for sanitizing outdoor equipment after every use.
7. Campers make use of shared public ablutions and City facilities at their own risk. Facilities are cleaned three times a day and will be closed whilst cleaning and sanitizing is taking place. Patrons are responsible for their own cleaning and sanitizing of facilities from 16.00pm – 08.00am when there is no staff on duty.
8. Campers are requested to keep facilities clean and tidy for their own safety and that of others. Any abuse of facilities should be reported to reception or security.
9. Campsites are not deemed to be low risk accommodation during the Covid-19 period. Patrons are encouraged to self-isolate elsewhere, prior to visiting a campsite.
10. Any person who develops Covid-19 symptoms whilst at a campsite will be sent home immediately.
11. No patrons are allowed visitors at campsites.
12. Don’t share any personal items with people that you don’t live with.
13. Children need to be assisted and supervised by an adult when using ablutions and hand washing taps or basins.
14. Hand must be washed thoroughly after using waste bins, touching handles and other frequently used touch points.
15. Campers must keep to a 1.5m social distance at all times. If an ablution is full, please wait outside and adhere to social distancing whilst in line.
16. Patrons are encouraged to bring their own hand sanitisers and wet wipes to clean surfaces in the shared communal areas.
17. Congestion in communal areas such as receptions and waiting areas must be limited. The number of people allowed to enter the reception area will be controlled by facility staff.
18. Management reserves the right to close a resort at any time and may cancel bookings at short notice, if national regulations change and/or if there is a Covid-19 positive case or risk of outbreak at any resort.

Prepare yourself accordingly and take note of the regulations currently being implemented, prior to visiting any City facility. The City reserves the right to terminate access and use of this facility for any person, in the event of non-compliance with Covid-19 regulations.

If you display any symptoms of Covid-19 or if you have a cold or flu, please do not enter the facility. Contact your medical practitioner or the Covid-19 helpline on 0800 029 999 or 021 928 4102 or WhatsApp 0600 123 456.

Sports fields
- Sports fields are open.
- All sporting activities that have been approved by the Minister through the National Federations can continue.
- No gatherings or spectators are allowed at sporting events.

Swimming pools
The following pools are open:
- All indoor swimming pools
- Sea Point Swimming Pool

Please note:
- Only individual swimmers will be allowed entry. No groups or social gatherings are permitted.
• The number of patrons allowed at each swimming pool has been reduced to 50% of the pool’s capacity. Capacity will be managed at the discretion of pool management; subject to the number of lifeguards on duty.
• subject to the number of lifeguards on duty.
• Screening will be done on entry and anyone with a temperature reading of over 38°C will be denied access to the facility.
• Patrons are required to strictly observe social distancing in and around the pool
• No showers or changing facilities are available. Please come dressed in costumes, ready for swimming.

Cemetery operations (funerals and burials)

Our cemeteries are open, but operating with certain limitations. Find out more about our cemeteries.

• Funerals are limited to a maximum of 50 people
• Funeral services are restricted to 2 hours including 30 minutes’ maximum for burial at City cemeteries
• Only one gazebo is permitted, no larger than 2x3 m as per City Cemetery by-laws
• A maximum of 10 chairs is allowed per burial at the cemetery
• No unveiling and consecrations are allowed
• No post funeral gatherings are allowed
• No visitation of graves permitted
• Always were a face mask covering both the nose and mouth. Strictly adhere to social distancing

View the National regulations around the treatment of Covid-19 deceased and funerals

Council
• All subcouncil offices are open to the public.
• See the councillor directory to get in touch with a Councillor.
• Remote meetings resumed on Monday, 25 May 2020. Check the meeting calendar.

Events
Protocols for hosting safe events during Covid: Standard Operating Procedure (SOP)
The Events Permit Office will only accept and process applications for events not exceeding 250 participants.

Current regulations, gazetted on Monday, 1 March 2021, only allow for gatherings with a maximum of 100 participants for indoor facilities and 250 for outdoor gatherings.

We will require a risk assessment and a Covid-19 mitigation plan for every event before an event permit is issued.

Our Event Permit office will advise on the SOPs and, along with city law enforcement agencies, will monitor compliance on the implementation of the Covid-19 mitigation and safety measures.

All event organisers and their service providers must adhere to all the protocols and applicable regulations, including hygiene on set and social distancing, to ensure the safety of everyone at an event.

Find out more about Event safety and download the SOP document.

Filming
Our Film Permit office is open, but we are only accepting online applications until further notice.

Health services
Clinic services
We have implemented measures to manage clients at City clinics during the Covid-19 pandemic, including:
• An appointment system to reduce time spent at the clinic
• Fast lane for family planning, immunisation, pregnancy tests etc.
• Recalling patients and close contacts of TB patients telephonically to discuss abnormal sputum, blood results etc.
• Triage and screening of patient at entry points.

Services that have been reduced until further notice include:
• deworming for children older than two
• male circumcision
• outreaches to educare centres (these facilities are currently closed)
• postponement of non-urgent nutritional appointments
• routine weighing of children (only weighing children attending for immunisation and curative services)

Hotspots
Six hotspot sub-districts were identified in Cape Town, including:

Vaccination registration

Registration for phase 2 of the Covid-19 vaccination programme is open to persons 60 years and older. Residents in this age group are asked to register on the Electronic Vaccination Data System (EVDS) as soon as possible.

Phase 2 of the vaccination programme starts on 17 May 2021.

You have to be registered first in order to be vaccinated. You will need your identification document, passport, or asylum seeker/refugee number to register and will have to bring it with you to the vaccination site on the day of your vaccination. You will also need to show the SMS confirmation that was sent to you.

Update on covid-19 vaccination roll-out

- The Western Cape Government Health Department, together with the City of Cape Town, plans to vaccinate 12 000 people per day across the province in week 3 of the roll-out and 24 000 people in week 4, dependent on vaccine supplies.
- Many more vaccination sites will be opened in the coming weeks and vaccinations are being ramped up as more vaccines become available.
- We are aiming for a 3 to 7-day lead time. Residents who have registered will receive an SMS notification informing them when and where to go to get vaccinated.
- Please wait to receive your SMS rather than opting for a walk-in vaccination, as preference will be given to confirmed appointments. Walk-in clients have no guarantee that they will receive a vaccination due to limited supplies.

How to register:

- Go to the Western Cape Government Health site and click on “Click here to register”. You will be directed to the EVDS portal to register.
- Alternatively, you can register via USSD or WhatsApp.
- Follow the steps on the portal and fill in your details.
- You will receive an SMS to confirm your registration.
- When it is your turn to be vaccinated, you will receive an SMS informing you when and where you will be vaccinated.
- It is important to use your correct address and cell phone number so that you can receive your vaccination information and can be referred to your closest vaccination site.

Read the Covid-19 Phase 2 Vaccination Registration Guideline for detailed information.

Download the National Department of Health guide on Vaccination Registration via USSD and WhatsApp for step-by-step instructions.

TOP TIP

If you are over 60 and need assistance registering for the Covid-19 vaccine, visit one of our participating libraries.

Safety and security

Donate essential items

Donate essential items: food parcels, vanity packs (soap, toothpaste, toothbrushes, facecloths, sanitary towels), toilet paper, adult diapers, mattresses, blankets, personal protective equipment

For more information, contact our Disaster Risk Management Centre:

Telephone: 021 597 6004
Email: disaster.donations@capetown.gov.za

Donate to the animal welfare sector

The pandemic has affected entire communities, including animals. Some animals have become strays, and others have been surrendered to struggling animal welfare shelters or advertised for adoption by owners on social media.

The Cape Animal Welfare Forum (CAWF) appreciates any donations towards any of the 33 charities that are registered under CAWF. Some examples of needed donations include: pet food, blankets, saleable household goods to support the animal charity shop including clothing, household goods, books or linen.

For more information on how you can help, contact the chairperson of CAWF, Karen de Klerk on the following email address: info@cawf.co.za
Neighbourhood Watch (NHW) groups
All members must comply with the national regulations and directives made by the Department of Health.

For more information and general enquiries, email: neighbourhood.watch@westerncape.gov.za

Sport and recreation

Recreation programmes
ALL recreational programmes are suspended until further notice, including:

• Afterschool and holiday programmes
• Community fitness groups (e.g. Zumba, aerobics, etc.)
• Indoor games (e.g. indigenous games, board games, arts and crafts, etc.)
• Recreational sport (e.g. Five-a-side soccer and recreational community sports days)
• Senior’s clubs (walking, hiking, fun runs, knitting, etc.)
• Women’s and Men’s events (e.g. motivational talks, community women’s day, mother’s day, etc.)

Facility bookings
Community Centres, Indoor centres and Halls are closed. Any bookings made during this period will be moved or cancelled in accordance with the Credit Adjustment Process.

Note: All social gatherings at any of our facilities, including faith based gatherings, are prohibited with immediate effect until 11 July 2021. We will continue to accommodate health-related and other essential services (e.g. SASSA, IEC, ECDs and Crèches, etc.) at recreational halls and centres. However, all open venues are required to be vacated not later than 20:00, in order to comply with the national curfew of 21:00 – 04:00.

Tenders/RFQ and Supply
Our Tender Office is open for in-person collection and submission of tender / RFQ documents.

Transport, fines and vehicle licensing

Learner/ driver’s licence renewals
All learner’s licences, driving licence cards, temporary driving licences and professional driving permits that expired between 26 March 2020 and 31 December 2020, remain valid and the grace period for renewals has been extended to 31 August 2021.

View the National Government Gazette No. 43958 of 3 December 2020.

Car licence disc renewals and registration

Online vehicle licence disc renewals
Register for e-Services to renew your licence online.

Please note: If you applied online before 26 March 2020, your disc will still arrive. The postal service has resumed but there are backlogs. If you applied online after 26 March 2020, you need to reapply online.

Note the following (regulations as per the National Department of Transport):
• All motor vehicle licence discs that expired on 31 March, 30 April, 31 May or 31 August 2020 had until 22 September 2020 to renew their licences.
• Discs that expired on 30 June 2020: payment and renewal had to be renewed by 21 July 2020
• Discs that expired on 31 July 2020: payment and renewal had to be renewed by 21 August 2020

Motor trade number licence renewals
The grace period for Motor trade number licences that expired between 26 March 2020 and 31 May 2020 ended on 30 November 2020.
Roadworthy certificates

The deadline for renewal of roadworthy certificates was 31 January 2021.

Traffic fines and warrants

Municipal courts have reopened. No new traffic cases were enrolled during National Lockdown Alert Levels 5 and 4, therefore, summonses may be re-issued at a later stage. If you had matters on the court roll during these levels, liaise with the relevant court in order to establish the status of your case.

Pay your traffic fine online, go to www.paycity.co.za or www.paymyfines.co.za.

Public transport

MyCiTi: Check the website for active bus routes.

For travel permit information, go to https://sacoronavirus.co.za/guidelines-and-relief/ and consult the regulations.

Urban Management

Informal Trading

Registered traders do not need to apply for a Covid-19 permit if they already have a valid trading permit issued by the City.

Call the City’s Urban Management Directorate call centre for more information on 021 400 3131 (Option 6).

For more information and/or queries regarding the toolkits, please call 021 400 3131 (option 6) or email informal.trading@capetown.gov.za or business.support@capetown.go.za.

Apply for an informal trading permit online via e-Services.

Waste services

Refuse collection delays

Please note: we are currently experiencing delays in the maintenance of Solid Waste vehicles.

Please leave your bin out until 21:00, and bring it out again the following morning at 06:00. If not collected on the scheduled day, your refuse will generally be collected the following day. In exceptional cases, where even this is not possible due to various issues, bring your bin out every day until your refuse is collected (including Saturdays and Sundays).

For the latest updates follow us on Twitter @CityofCT or Facebook.

Read the following useful guides to minimise negative impacts:

- Refuse Collection Delays: Bin Care and Waste Disposal Guidelines
- Guidelines for Domestic Waste Disposal During the Covid-19 Pandemic

Waste disposal

- Waste Disposal and Drop-offs Notice
- See our Solid Waste Management's Covid-19 Disposal Arrangements Notice.

Water and Sanitation

Spring water collection points
The following Springs are open to the public:

| The Newlands Springs: northern side of the Newlands Swimming Pool, near the Dean Street Shopping Centre. |
| Bradwell Springs: corner of Upper Buitenkant and Ludlow Street site. |

Both sites will be open Monday to Sunday from 05:00 - 21:00.

You must adhere to the following rules at all times when visiting the sites:

- Collections are limited to a maximum of 25 litres at a time to prevent backlogs from forming
- Ensure your container does not touch the tap
- Keep a physical distance of 1,5 meters from others at all times.
- No entry to the site without a mask
- Open and closed taps with the back of your hands
- Sanitise your hands upon entering the site.

The following safety measures are in place to help prevent the spread of Covid-19:

- Additional security will be provided to manage the physical distancing, parking arrangements, and other Covid-19 regulations.
- Eight taps will be open (out of the current 16) at the Newlands spring site to allow for physical distancing during water collection.
- Hand sanitiser will be provided at the entrance to the facility
- Security will be monitoring and ensuring that containers do not touch the bottom part of the tap.
- This water is not for commercial use, and may not be sold. Our City Health, Law Enforcement and Water Departments will monitor the site and act on municipal violations as they arise.

Reminder: the spring water is not treated, and it is used at your own risk.

Online and telephonic services

We encourage you to use our telephonic and online services to conduct your business, wherever possible. Avoiding social contact will help to reduce the spread of the virus.

- Our call centre is still operating 24/7, but only for essential service queries.
- Contact the City
- Submit a service request online.

Building plan, land use and development applications

The construction industry, residents, government departments and professionals can continue to submit building plans, development and land use applications via our e-Services platform.

- Register for e-Services
- Submit an application using our Development Application Management System (DAMS)

Financial relief options

Indigent relief

We have adjusted the processes of our indigent, disabled and pensioner rebate applications, which will help those affected by the Covid-19 crisis to qualify faster for rebates.

- Send an email to indigent.relief@capetown.gov.za or visit www.capetown.gov.za/indigentbenefits
- View other financial relief options for property owners during the Covid-19 crisis.
**Invoices and account payments**

The South African Post Office (SAPO) is open, however, they are operating with skeleton staff due to the pandemic. To avoid possible delays, and to ensure that you receive your bill on time, make use of our online options:

- If you did not receive your invoice via post, you can request a copy via email to accounts@capetown.gov.za.
- Register for e-Services to view all your account details online, and register for e-Billing to receive your monthly rates account via email.

Find out more about how to pay your rates and services account.

---

**Register for e-Services**

**Our e-Services platform allows you to:**

- Pay and renew your vehicle licence
- Receive accounts via email, pay accounts, view current account and account history
- Log service requests
- Submit water meter and electricity meter readings

---

**Reporting**

**Electricity faults**

**For faults and emergencies:**

- send an SMS to 31220 or,
- email power@capetown.gov.za or faultreport.centre@capetown.gov.za.

Visit the City’s website to apply for a prepaid electricity meter in the future. Alternatively, you can:

- register for e-Services and manually submit your meter readings, or
- send a photo of the meter reading by email to electricity.meterreading@capetown.gov.za, or
- phone 021 444 6286 / 021 444 8432 / 021 444 8478 / 021 444 1554 or 0860 103 089.

---

**Water faults**

Submit water-related service requests, including: burst mains, no water at a property, stolen meters and sewer blockages/overflows, using the following channels:

- Call 0860 103 089 (choose option 1 for Solid Waste and option 2 for water-related matters)
- Email water@capetown.gov.za or SMS 31373 (max of 160 characters)
- Online: http://www.capetown.gov.za/servicerequests/

---

**Other**

View our Fault Reporting Guide for a list of the type of faults you can report using the following channels:

1. Call 0860 103 089
2. Submit a service request (C3) online
Other

Always remember to take note of the reference number provided. You will need your reference number to follow up on any service requests that you have submitted.

For refuse collection delays, stolen bins etc., email: wastewiser.user@capetown.gov.za

Guidelines

Guidelines for Domestic Waste Disposal During the Covid-19 Pandemic

Follow our guidelines for the disposal of household waste to help prevent the spread of Covid-19. These guidelines are aligned to national and provincial guidelines and exist to curb the spread of the coronavirus to the refuse collection staff and others.

1. All waste items that have been in contact with someone who has Covid-19 or who you suspect may have been infected, must be disposed of in a separate container (e.g. used tissues, wipes, masks etc.)
2. Double-bag this waste.
3. Keep this waste on the property for at least five days before placing it out for collection.
4. Other household waste can be disposed of as normal.
5. Practise social distancing when interacting with Solid Waste staff.
6. Wash your hands before and after handling the bin and sanitise the lid, if possible, to prevent your bin from possibly becoming a site of transmission for the disease.

Guide for Waste Service Providers

Our Integrated Waste Management By-law, 2009, gives us the power to regulate, control and monitor the generation, management and disposal of solid waste in Cape Town.

Registration of unaccredited waste service providers

We have decided to allow the disposal of business waste at our facilities. This provision is only for vehicles with a maximum carrying capacity of 1,5 tons, and accreditation that aligns with our Policy for the Accreditation of Service Providers of Waste Management Services is required.

Tariffs for business waste disposal applies. It is illegal to operate without a permit or accreditation. You are required to apply for accreditation and obtain the necessary permit. Once approved, you will be issued with a permit letter.

Dispose of builder’s rubble for free

From 1 September 2020, accredited builder’s waste generators will be able to dispose of their clean builder’s rubble at Bellville South Transfer Station for free, terms and conditions apply.

Read the notice to find out more.

Health and safety rules for public transport

Follow these basic health and safety rules to limit the spread of Covid-19 when using public transport:

Staying at home is still the safest option, but if you must travel, only do so for work purposes, or for essential goods and services.

Note: You will not be allowed to access any public transport without a mask or scarf.

If you have to use public transport:

- a mask or scarf covering your nose and mouth must be worn at all times;
- avoid physical contact with others by standing and sitting at least 1.5 m apart;
Health and safety rules for public transport

- avoid touching common surfaces;
- avoid touching your face;
- stay at home if you are feeling sick;
- use hand sanitiser if it is available; and
- wash your hands with soap and water before and after the trip.

Refuse Collection Delays: Bin Care and Waste Disposal Guidelines

Bin care
1. Freeze any meat products (i.e. chicken, red meat, off-cuts, etc.) until collection day. Placing it into your bin frozen will prevent the breeding of flies.
2. Remember to wash your hands thoroughly after handling your bin and your waste.
3. Store your bin in a cool place and avoid direct sunlight – this will reduce/prevent flies breeding in your bin. It also helps to spray your bin with insecticide.
4. Wash and disinfect your wheelie bin regularly, especially when placing it outside and bringing it back inside.

Dos and Don'ts
- Do not resort to illegal dumping. Excess refuse can be bagged and will be collected on the next removal day.
- Keep your bin on your property until the next scheduled removal day.
- Practise social distancing and do not approach staff members as they go about their duties.

Make space in your bin
- Take your clean, dry recyclables to one of our open drop-off facilities. Alternatively, you can make use of an accredited recycling collection company. You can use our waste recyclers app to find one near you. Recycling eases pressure on collections services, in our landfills and on the environment.
- Garden greens are also accepted at selected drop-off facilities.
- Where possible, practise home composting - this will free up more space in your bin.

Standard Operating Procedure (SOP) for Filming in Cape Town

We will require a risk assessment and a Covid-19 mitigation plan for every location being used before a film permit is issued.

Our law enforcement agencies will monitor compliance and will be there to advise production companies on the implementation of the Covid-19 mitigation and safety measures.

All those in the film industry, and those going out to film locations, must adhere to the protocols as well as all applicable regulations in terms of hygiene on set and social distancing to ensure the safety of everyone.

Production companies will be required to comply with the following actions, among others:
- All staff, cast and crew must be screened daily at the start of each shift/shoot. A record of each person’s daily temperature should also be kept.
- Cloth masks or face shields must be provided for cast and crew
- Covid-19 awareness information, including workplace protocols, must be displayed in common areas and copies provided to all staff
- Ensure that 70% alcohol-based hand sanitiser is made available for all cast, crew and service providers on sets and workspaces
- Only necessary permitted people should be allowed on set
- Sets/workspaces must be disinfected regularly before and after filming
- The number of people on set must not exceed 50 people as per the Arts and Culture Ministry directions
- Workplace equipment and props must be disinfected before they are returned to storage or service provider

View the Standard Operating Procedures.
National regulations around the treatment of Covid-19 deceased and funerals

According to Adjusted Alert Level 4 Regulations:
1) Attendance at a funeral is limited to 50 people or less
2) Night vigils are not allowed.
3) During a funeral, a person must wear a face mask and adhere to all health protocols and social distancing measures.
4) The duration of a funeral or cremation service is restricted to a maximum of two hours.

Advise for the public and undertakers

Consider cremation where cultural and religious beliefs do not exclude it

Covid-19 deceased should be buried/cremated within three days. These burials must be prioritised and cannot be booked in advance in excess of three days after date of death.

Stick to allotted times for burial (only 30 minutes allowed per ceremony)

Strongly consider weekday burials to reduce the number of burials on a Saturday as this impacts on the Department’s ability to manage funerals effectively, but also increases the risk of exposure to Covid-19

Treatment of deceased persons and funerals

Remains of a Covid-19 patient may only be transported in public if:
- placed in a polythene bag,
- sealed in an airtight container,
- placed in a sturdy non-transparent sealed coffin,
- embalmed and covered with a 5 cm layer of sawdust which is treated with a disinfectant.

A medical practitioner must declare in writing that the conveyance of the remains will not constitute a health hazard.

The vehicle used must be designated and certified to transport remains.

If the deceased did not die of an infectious disease, the remains must be accompanied by a certificate to that effect, issued by a medical practitioner or forensic pathologist.

A burial or cremation of the mortal remains of a person who died of Covid-19 must be carried out in terms of the Human Remains Regulations.

Cremation is highly recommended, but in the event of a burial, the accompanying service (funeral service and burial) may not last longer than two hours, with 30 min in the Cemetery. Only immediate family members should be present – Covid-19 patients may not attend.

- Mourners should practise social distancing during and after the burial service.

National Health Department guidelines for dealing with a Covid-related death in the home

In the event that a person infected with Covid-19 dies at home:
- Family/household members must not, at any stage, handle the body.
- Call SAPS (10111), Emergency Medical Services (10177) and your family undertaker, and inform them of the death and the circumstances – remember to advise them of the deceased’s Covid-19 status.
- The deceased person’s belongings should be handled with gloves and cleaned with a detergent followed by disinfection with a solution of at least 70% ethanol or 0.1% (1000 ppm) bleach.
- Clothing and other fabric that belonged to the deceased should be machine washed with warm water at 60-90 degrees and laundry detergent.
- If machine washing is not possible, linens can be soaked in in a large drum filled with hot water and soap. Use a stick to stir and be careful to avoid splashing.
- The drum should then be emptied, and the linens soaked in 0,05% chlorine for approximately 30 minutes. Finally, the laundry should be rinsed with clean water and the linens should be allowed to dry in full sunlight.
## Practical tips to manage mild Covid-19 cases in the home

As caseloads grows, more households are likely to be affected by Covid-19. See our practical tips for both patients and caregivers below:

At least 80% of those infected will present with mild to moderate symptoms. Only get tested if you suspect you have Covid-19, and recover at home if you present with mild to moderate symptoms.

### You should remain isolated from the rest of your household for at least 14 days, if you:
- are waiting for test results,
- have a confirmed or suspected Covid-19 diagnosis with mild symptoms, or
- have been identified as a close contact with someone with Covid-19

While at home, monitor your symptoms and temperature twice daily.

### If your symptoms begin to worsen you might require more advanced care – particularly if you:
- develop problems breathing,
- experience persistent pain or pressure in the chest area, and/or
- struggle to wake up.

Call your healthcare provider or the provincial Covid-19 health line if your symptoms persist beyond seven days. Generally, after 14 days you will be considered free of the virus if you are no longer showing symptoms. If in doubt, check in with your healthcare provider or local clinic just to be sure.

### You should only recover at home if:
- you are able to isolate yourself from other household members.
- a healthy person is available to take care of you, and
- you have easy access to your healthcare provider, if need be.

### Some practical tips for taking care of someone with Covid-19, include:

#### Caring for the patient
- Assign one healthy person, with no underlying conditions to look after the patient, if possible.
- Avoid contaminated items (e.g. toothbrushes, eating utensils, towels, bed linen). Use dedicated linen and eating utensils for the patient.
- The patient should be in a well-ventilated single room. Other household members should stay in a different room, if possible, otherwise maintain a distance of at least 1.5 m from the patient at all times.
- Limit movement of the patient in the house and minimise shared space.
- Visitors should not be allowed until the patient has completely recovered.
- Wash your hands after any type of contact with the patient or their immediate environment.
- After washing your hands, use disposable paper towels to dry hands, if possible. Otherwise, use clean cloth towels and replace frequently.

#### Cleaning, hygiene and waste removal to avoid contamination
- ‘Double bag’ contaminated waste (e.g. tissues, disposable masks) and store for five days before putting out for collection
- Clean and disinfect bathroom and toilet surfaces at least once daily if you share the bathroom.
- Clean and disinfect the patients room daily, especially those surfaces touched frequently, e.g. bedside tables
- Regular household soap or detergent can be used for cleaning.
- Clean the patient’s clothes, bed linen, towels, etc. Use regular laundry soap and water or machine wash at 60–90 °C (if possible) with common household detergent, and dry thoroughly.
Practical tips to manage mild Covid-19 cases in the home

- Place contaminated linen into a laundry bag. Do not shake soiled laundry and avoid contaminated materials coming into contact with skin and clothes.

What to do if you cannot self-isolate at home:

1. Contact your nearest health facility, or
2. Call the provincial hotline on 021 928 4102 to secure access to a quarantine or isolation facility.

Look after yourself to look after others:

All household members should take necessary precautions to ensure that they do not become infected.

- If you feel ill – stay at home!
- Practise responsible respiratory hygiene (cover your coughs and sneezes)
- Social distancing is everyone’s responsibility – implement it strictly
- Wash your hands regularly with soap and water for at least 20 seconds
- Wear a cloth mask at all times when in public (do not touch your face)
- Wipe down all surfaces that you may come into contact with
