

ONE-WAY ROAD CONVERSIONS AROUND MILNERTON PRIMARY SCHOOL IN MILNERTON

The City's Urban Mobility Directorate advises residents and road users in Milnerton that various roads around Milnerton Primary School will be converted into one-way roads.

This follows the public participation processes conducted in June 2022. After careful consideration it was decided to implement time-restricted one-way road conversions indicated by signage from July 2025. This intervention is an effort to create safer access for vulnerable road users and improve traffic flow during peak school periods.

The time-restricted one-way road conversions from 07:00 to 08:30 and 14:00 to 15:00 on school days will be implemented along the follow roads:

- Langerman Avenue from Arum Way to Begonia Street
- Begonia Street from Langerman Avenue to Graaff Avenue
- Graaff Avenue from Begonia Street to Zastron Road

Road users must adhere to the following:

- New directional signage
- Time restrictions of the conversions

Not adhering to the signage may result in a traffic fine.
