

D1.5c	If you were married in community of property, are you one of the heirs to a property registered in the name of your deceased spouse?		
D1.5d	If only a portion of a property is registered in the name of the deceased, are you the surviving registered owner, together with other heirs?		
D1.5e	If only a portion of a property is registered in the name of the deceased, are you one of the surviving registered owners, together with other heirs?		
D2	If the residential property is registered in the name of a trust, are you currently a member of the trust? (Certified copy of the trust document to be provided in addition to the other required documents)		
D3	Were you granted the right to use the property for the rest of your life, in other words are you a usufructuary of this property? (Certified copy of proof to be provided in addition to the other required documents)		
D4	Are you the spouse or minor child of the registered owner, who cannot occupy the property due to no fault of his or her own? (Certified copy of proof to be provided in addition to the other required documents)		

NOTE! The names of ALL the people living at a residential property who meet any of the criteria set out above must be added to Page 2 of this application form.

If you have answered 'Yes' to any of the questions in Part D, you may continue with the application process by going to Part A on Page 2 of this form.
