DROP-OFF SITE FOR HAZARDOUS HOUSEHOLD WASTE

Dear Resident

Some households, like yours, which form part of the targeted areas of Pinelands, Langa, Bridgetown, Silvertown, Kewtown and Hazendal, will be able to bring their hazardous household waste to this drop-off site as from 1 November 2015 while the rest of the households in these suburbs and also Sybrand Park will follow in due course.

The following will be accepted as hazardous household waste:

Asbestos waste material:
limited to plant containers,
gutters or old cement heaters
- **No bulk waste will be accepted.**

CFL (compact fluorescent
lamps) and other discharge
lamps

Chemical waste products
(air fresheners, all-purpose
cleaners)

Pesticide waste

Used batteries

Swimming pool
chemicals

Old paint and
brushes

Electronic waste

Used oils

The following will not be accepted:

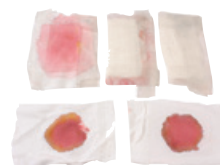

Bulk hazardous
household waste
from residents'
homes, offices or
businesses

Medical waste:
blood-stained
bandages and
plasters, expired
pharmaceuticals

Sanitary waste:
soiled disposable
nappies and adult
diapers

Any product
contaminated by
infectious bodily
fluids

Explosive and
compressed waste:
for instance gas
cylinders

How to make use of this service

Residents in the identified areas can use the facility during operational hours. For legislative requirements residents must bring along their:

- **Municipal account**
- **Identity book or driver's licence**

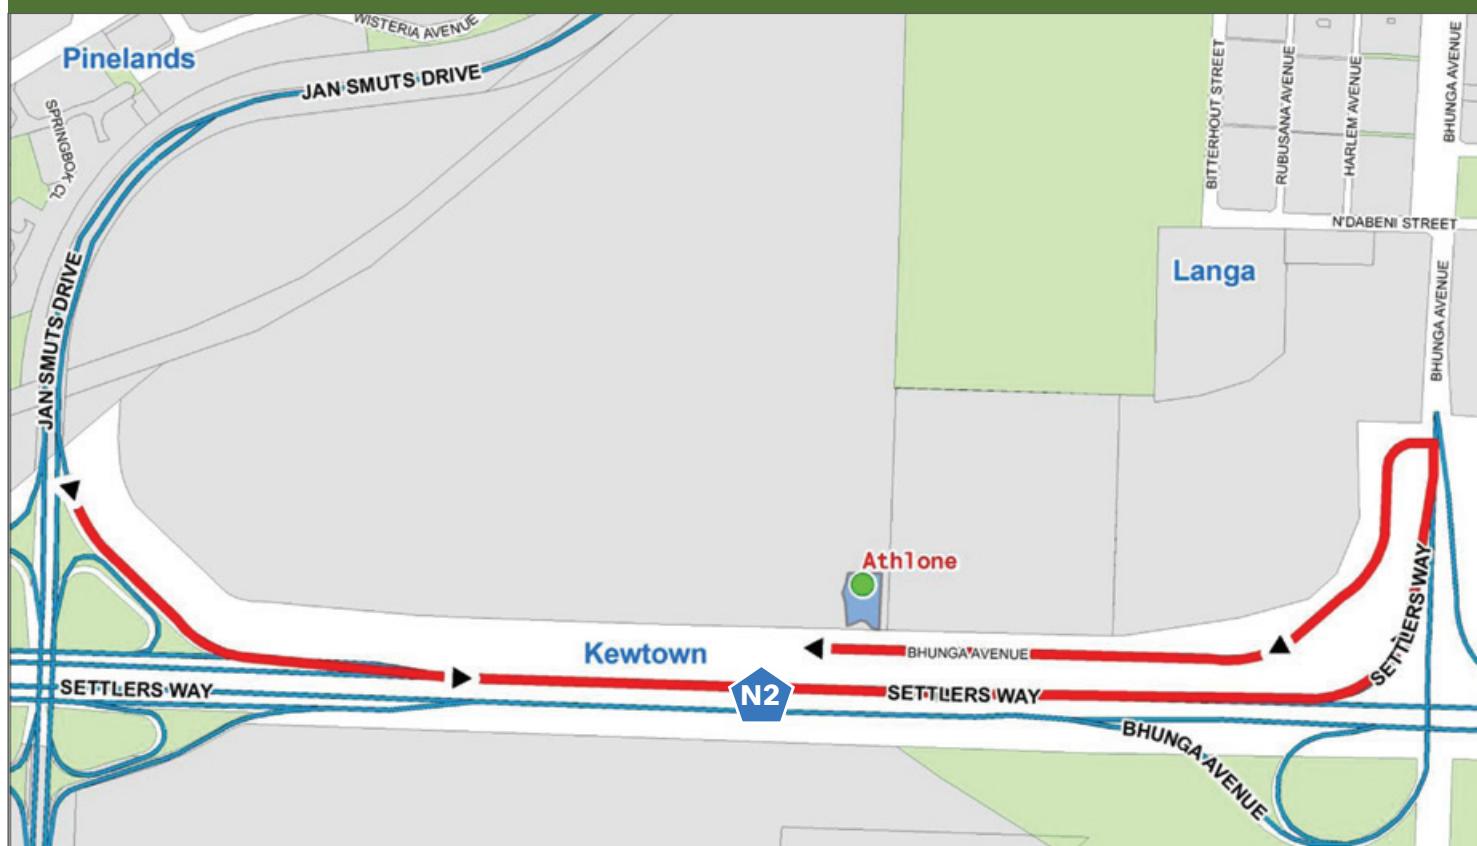

How to transport and handle special waste

- **Special waste must be placed in a safe, non-corroded container.**
- **It must be packed individually in separate cases to prevent spillage and breakage.**
- **All asbestos cement waste should be double-bagged when moist to prevent fibre release.**
- **Drive cautiously to ensure its safe transport to the drop-off site.**
