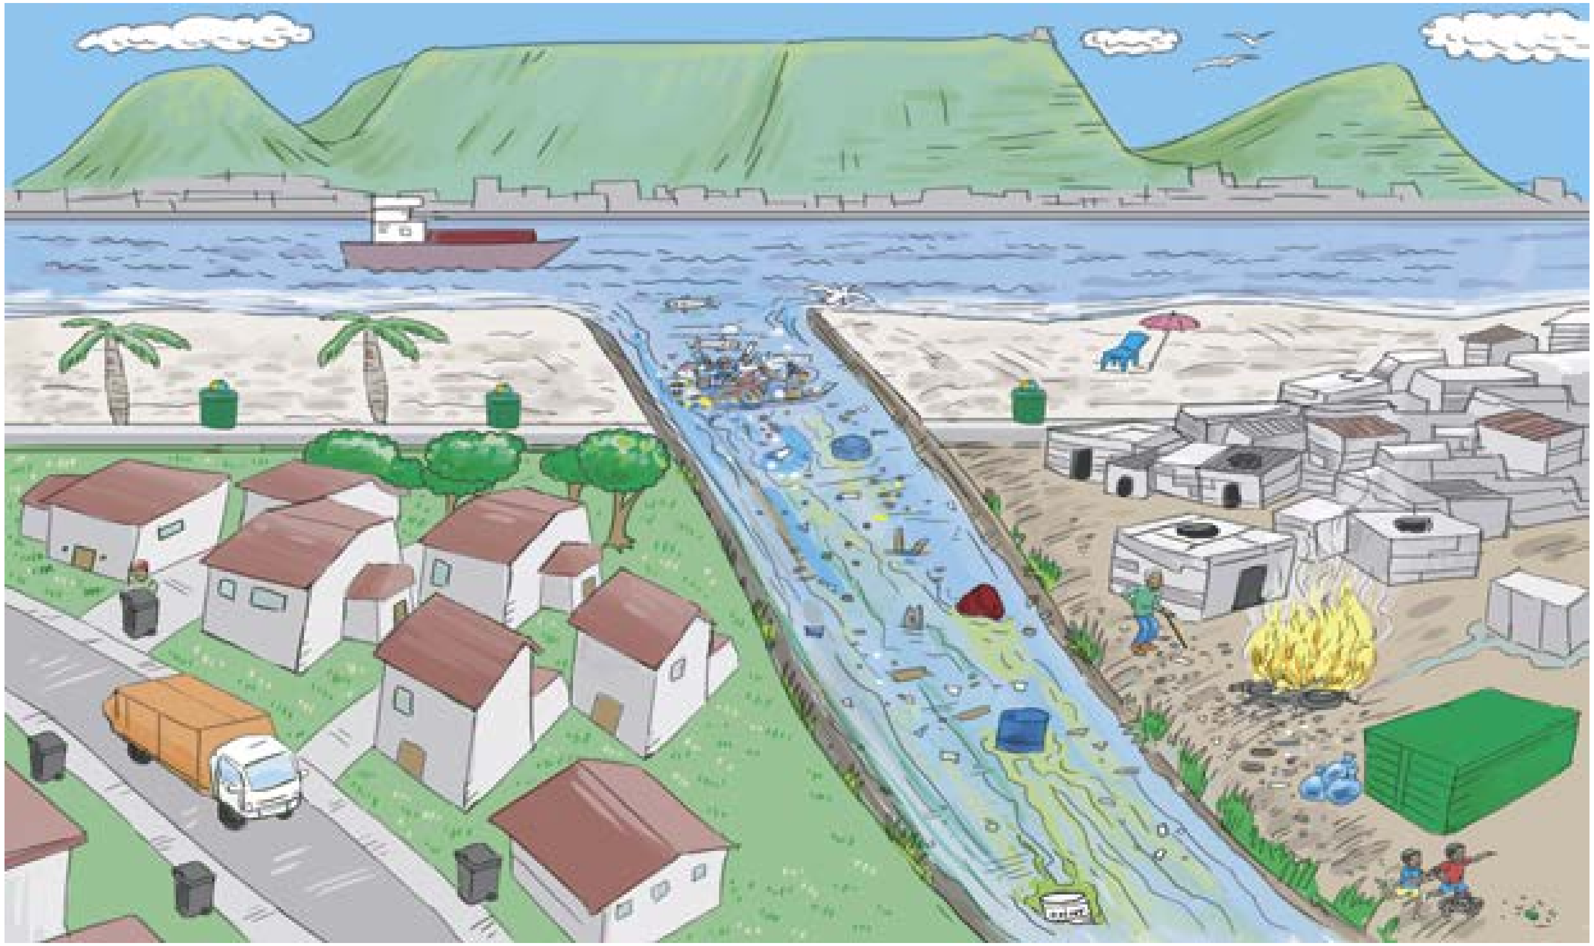
IT BEGINS WITH YOU!

JOIN THE MOVEMENT TO KEEP OUR BEACHES CLEAN



Waste can be dangerous

- Children can get hurt and cut themselves on broken glass or rusty cans
- Senior citizens can trip and get injured
- Waste dumps attract flies and cockroaches
- Rats breed in waste dumps and attract snakes
- Blocked drains cause flooding
- Old oil, paint and poison that land up in rivers and canals kill birds and fish
- Paper lying around can start fires that destroy homes

You can help

- Pick up litter around your home and dispose of it properly
- Turn food waste into compost for your vegetable and flower garden
- Teach children to pick up litter
- Earn money by recycling unwanted items
- Paper, plastic, glass can be sold for cash
- Make artwork out of recycled junk
