

CITY OF CAPE TOWN ISIXEKO SASEKAPA STAD KAAPSTAD

#### SPATIAL PLANNING AND ENVIRONMENT

USER MANUAL: Development Application Management Portal (DAMS)

# Building Development Management (BDM) – Request permission to use

#### **DAMS Overview:**

The Development Application Management System (DAMS) allows you to electronically submit, process and track building plans and land use applications. DAMS is fully integrated with the City's SAP enterprise environment and also links to its central property repository. All of this fully integrates with our Geographic Information System (GIS), the digital financial system, and the main electronic document/records management system.

The Development Management Department only accepts building plans and land use applications submitted online, via **e-Services**. Read or download our <u>DAMS</u> <u>Registration Booklet</u> for guidelines on how to register.

#### PLEASE NOTE:

Applicants must register on the e-services portal. The following mandatory documents must be available for upload to process the request:

o <u>Power of attorney</u>

# DAMS Access:

Access the **e-Services** portal

Development Management **e-Services** home page:
